INTRODUCING THE COLLEGE AND CAREER CONNECTIONS PAVILION

MARCH 1, 2025 10:00AM – 5:00PM
PETCO PARK

Proudly brought to you by:

The San Diego Festival of Science and Engineering is buzzing with excitement as we introduce our College and Career Connections Pavilion. We aim to foster awareness and create meaningful connections for local high school and middle school students with our exceptional higher education and industry partners. Visit our new Pavilion from 10:00 AM - 5:00 PM to meet over 20+ education and industry partners who are excited to meet you.

Below are some of the past institutions that attended. We can't wait to see you at the Festival!

San Diego State University • Cal State University San Marcos
Point Loma Nazarene University • National University
San Diego City College • Miramar College • Southwestern College

Don't miss our special College Student Panel! Join the discussion to hear and learn from students about their experiences in college through our panel.
